

DEPARTMENT OF FISH AND GAME

HAZARDOUS MATERIALS/WMD INCIDENT SUPPORT PLAN

Function of Department of Fish and Game:

1. Provide auxiliary police assistance to Idaho State Police. Conservation Officers will respond to requests from District State Police Dispatchers to assist with traffic control, evacuation and other related police duties in case of a hazardous materials spill.
2. Provide assistance, as requested by the Incident Commander or Communications Moderator, in monitoring and evaluating possible impacts to fish and wildlife resources from a hazardous materials/WMD incident.

Notification when wildlife, fish or fisheries are, or may be affected:

1. Chief, Bureau of Enforcement will serve as the Department's state-wide contact person.

Area of Response

Jon Heggen, Chief of Enforcement	Statewide
Clay Cummins, Assistant Chief	Statewide
Scott Reinecker, Assistant Chief	Statewide

2. The local contact persons will be each of the Regional Conservation Officers.

3. Contact list of field officers.

In case of an emergency situation, StateComm will contact directly the Conservation Officer or Officers in the area concerned. Backup notification will be made to the Regional Conservation Officer and the Chief, Bureau of Enforcement in that order as time permits. Regional Conservation Officers will be responsible for notifying the Regional Supervisor and the District Conservation Officer concerned. Chief, Bureau of Enforcement will notify the Director's Office. Conservation Officers responding to emergency calls will be under the direct supervision of the State Police District Command Officer. Incidents involving hazardous materials reaching any water source, contact the RCO first, then contact the Regional Fisheries Manager if unable to contact the RCO.
